NATIONAL ASSOCIATION OF EVANGELICALS

Founded in 1942, the National Association of Evangelicals seeks to honor God by connecting and representing evangelical Christians in the United States. It represents more than 45,000 local churches from 40 different denominations and serves a constituency of millions.

We seek to influence society for justice and righteousness and gather the many voices of evangelicals together to be more effective for Jesus Christ and his cause. We also provide resources for ministry leaders, pastors, churches and denominations, and support their ministries with trusted insight.

It is the partnership of evangelical individuals, churches, nonprofits, schools, businesses and denominations that make our work possible. With your help and partnership, we will continue to be an *Influence for Good* in our society for many years to come.
